TYCROP PP-180 - LARGER TAILGATE OPENING

Filling Large Aerification Holes ?

Need More Sand ?

Above photos are taken with New TS and 5" Tailgate updates on PP180

TYCROP continues to improve the performance of the ProPass 180. Each, and every, update is retrofittable on all ProPass 180's ever built.

TYCROP offers a 5 inch tailgate opening (from the previous 3 inch opening) which allows you to spread 65% more sand.
