Product: Cross Conveyor / Swivel Kit assembly

Product SKU: 0002-0223

Fits Model: ProPass 180 all versions

Available: April 2008

This new attachment adds to the flexibility and functionality of the ProPass by now offering a cross conveyor / swivel kit assembly. The truly unique feature of this option is the ability to remove and install it with no tools, using TYCROP's unique quick attach mounting brackets.

The swivel rotates 180° thereby increasing its usefulness around the course.

Specifications:

Weight: 140 lbs. (63.5 kg.)

Conveyor length: 65 in. (1.7m)

Belt Width: 8 in. (203m) seamless

Operating range: 180°

MSRP: \$2,200 (US\$) + freight + PDI
